Cook County Second Installment Property Tax Bills Mailing Delayed

****Updated July 26**** - Cook County second installment property tax bills for tax year 2020 will be mailed in late August. Typically, second installments are mailed the last week of June. The anticipated due date is October 1.

"Property taxes are paid in two installments," says Township of Schaumburg Assessor, John R. Lawson. "Pandemic-related issues slowed the processing of appeals, which delayed the mailing. Thankfully, the County extended the payment deadline."

Taxpayers should review the second installment tax bills for their homeowner, senior citizen or other exemptions and any successful assessment appeals filed in 2020. The exemptions and successful appeals will appear on second installment bills, along with any changes in the tax levies of local governments including the Cook County Assessor's 'Covid Adjustment' (issued in December).

Residents can find information concerning bill payment at cookcountytreasurer.com.

Payment options are:

- Online at cookcountytreasurer.com, with a checking or savings account
- At 400 Chase Bank locations in Illinois
- By mail, in an enclosed return envelope postmarked no later than October 1, 2021
- Mortgage escrow (Taxpayers should confirm payment with their mortgage-paying firm.)

Due to the pandemic, mailing and due dates are subject to change. To receive updated information sign up for the Assessor's Office eNewsletter at schaumburgtownship.org and follow us on social media.
