## MEDICAID MEDICAL COVERAGE CHANGES

Did your recent Medicaid medical redetermination reveal you don't qualify for Medicaid because you exceed the income and asset limits, resulting in a spenddown? Medicaid recipients who incur a spenddown should know spenddowns will not be paid for or "met" by Medicaid any longer without medical receipts. Please note, Medicaid is not ending for everyone with a redetermination - only recipients who exceed the income and asset requirements. If you no longer qualify for Medicaid and cannot afford a monthly spenddown, consider calling the Township's Disability & Senior Services Department to discuss Medicaid alternatives with a SHIP Counselor.
