Quinette and Bob met with a Schaumburg High School student who is spearheading a group called Generation Lead. The group’s purpose is to reach HS students and encourage them to seek assistance with mental health issues. A mental health board training academy session will be held on June 27, 9:00-12:00. Members will inform Quinette if they plan to attend.
 - b. Finance Report was given by Quinette.
- VI. Old Business**
 - a. Lauren and Quinette met with the COO and CFO of Ascension Behavioral Health Hospital to discuss a partnership between this hospital and the MHB. The suggested plan entails MHB granting funds to Ascension for the purpose of extending the mental health treatment of those Township residents who are uninsured, who would typically be discharged after the inpatient stay. The MHB would be charged the cost of care. Ascension will submit a grant application in the amount of approximately \$430,000, which is estimated to cover these residents for one year. An expedited admission process would be in process for uninsured residents. Quinette will schedule a tour at the Ascension Behavioral Health Hospital in Hoffman Estates so MHB members can attend.
