MINUTES OF THE
TOWNSHIP OF SCHAUMBURG-COMMITTEE OF THE WHOLE
STATE OF ILLINOIS
Cook County
Town of Schaumburg

The Board of Town Trustees met at the Town Clerk's office located at One Illinois Boulevard, Hoffman Estates, IL 60169 on October 21, 2026.

Supervisor Heneghan called the Public Meeting to order at 7:00 p.m. followed by the Pledge of Allegiance.

Roll Call by Clerk Reed: Voting Board Members Present: Supervisor Timothy Heneghan, Trustees Holly Fath, Robert Fiorio, Demetrius Gibson, and Tom Pirovano.

Non-voting members present: Clerk Kathleen Reed, and Assessor Victor Morales
Non-voting member absent: Highway Commissioner Tim Buelow

Staff Members present: Melissa Williams, Patti Dionesotos, Diana Nelson, Mischelle Landorf, Katy Trent, and Annette White.

**Discussion of meeting protocol:**

Supervisor Heneghan reviewed the purpose and procedures of Committee of the Whole (COW) meetings before the meeting began. He described COW meetings as an opportunity for employees and the Board to discuss matters in preparation for upcoming Board meetings and stated that the meetings follow Robert's Rules of Order. Although we value their input, employees should not participate in Board discussions. The Board discussed whether the Board needs COW meetings every month and agreed to limit meetings in June, July, November, and December of each year. Summer cancellations would allow participants to plan vacations, while the Board would retain the legal ability to schedule a COW meeting if necessary. An Executive Session item will appear on all COW and Board meeting agendas, regardless of whether an executive session takes place.

**No Public Comments**

**Approval of Minutes**

Trustee Fath moved to approve the minutes of the September 16, 2026, Committee of the Whole, and Trustee Fiorio seconded the motion. The Board approved the motion by unanimous roll call vote. **Motion carried.**

## Old Business

### Review of adjusted FY28 proposed budget.

### Highlight adjustments made based on some updated costs and Governmental Accounting and Administrative Review

The proposed FY 28 budget remained preliminary. Salary lines included an eight percent increase to accommodate the 3.6 percent cost-of-living adjustment (COLA) cited during the meeting and average performance increases, not including the Assessor's team. James Howard and Brad of Governmental Accounting were reviewing employment, Illinois Municipal Retirement Fund (IMRF), and unemployment figures and anticipated reductions. The discussion identified the end of the week as the expected timeframe for the public-facing electric vehicle (EV) charger estimate and December for final insurance rates.

The budget balanced according to the discussion, but the projected transfer to the Capital Fund fell below expectations. Completing all planned capital improvements could require a transfer from reserves, leaving $350,000–$380,000 in reserves; alternatively, the Board could prioritize projects and preserve more reserves. The discussion addressed a property-tax timing shortfall of approximately $1 million. Rebuilding reserves after construction remained part of the strategic plan. The proposed Town audit allocation was $15,000, compared with $20,000 in the current budget, because Road & Bridge and General Assistance would also share audit costs.

Bus replacement was a major capital-funding decision. Staff requested two new buses. The discussion included one EV and one gas bus as an option. Trustees Fiorio, Fath, Pirovano, and Gibson favored two EV buses; the meeting record contains no purchase motion or vote in this discussion. Estimated delivery times were six months for EV buses and eight to ten weeks for gas buses. The discussion indicated that the existing fleet could maintain service without a gap. The discussion covered placing orders and deferring payment until the next fiscal year. The discussion identified higher upfront costs but lower operating and maintenance costs for EVs. A request for an eight-year ownership-cost comparison arose, but no comparison was available. According to the discussion, new EV buses carried an eight-year warranty, comparable to gas buses. The Township's four existing EV buses had functioning batteries, and the discussion did not support immediate battery replacement.

Transportation Manager Melvin Maldonado requested an update from the grant manager on the pending payment. Receipt after the end of February could shift the funding into the next fiscal year. The discussion identified December as the expected timeframe for final budget figures for the January COW meeting, following receipt of insurance rates. Plans called for standardizing IMRF percentages and combining FICA and Medicare lines for consistency across departments.

**2027 Social Security announced 3.6% COLA increase.**

The Board members reaffirmed support for following the 3.6 % COLA increase citing during the meeting, referring to their earlier vote.

**Snow Removal Pilot program: DSS Committee, Becky Cordes**

Assistant Director Frances Borja cannot attend the meeting, but she did a great deal of the legwork for this project. She is proud of her work. DSS has researched what other townships and organizations do about snow removal. Most programs combine lawn care and snow removal. Some programs use volunteers, and townships subsidize others. One township has the Road and Bridge District perform this work.

We discussed two programs and sent our plan to our attorneys for review. We are concerned with liability. Our attorneys recommend that we do not use teenagers in this program. The program would not be a volunteer program. Service providers would negotiate with residents who need help. We would provide residents with a list of residents willing to help, and residents would be responsible for contacting people on the volunteer list. We should conduct a light background check. The discussion included application forms. Our attorney email has remaining items for consideration. Referral-model restrictions include ground-level work. The discussion addressed a release waiver. We will notify people that we are conducting limited screening and that residents assume the risk. We are limiting our program to participants eighteen and older; the program excludes minors. Board members asked the following questions:

1. Is this a township issue?
2. The definition of a "poor job" may differ from individual.
3. We should outline clear expectations. People may want this work done to avoid citations for long grass. We passed the partnership between the resident and the volunteer. This is a volunteer service. We are providing residents with the names of volunteers. If a person does not have email, we will mail this list to them.

Eligibility includes being fifty-five or older or having a disability, with no able-bodied person available to do the work. Other service providers may charge nominal amounts. The purpose is to connect people, and the program is for older adults. Residents report the availability of an able-bodied adult through the honor system. The parties independently negotiate arrangements. Service providers must live in the township. Residents will sign a form stating that they are responsible for anything that happens, and the discussion addressed the criteria for helping a senior. Our attorneys are concerned about liability. Trustee Fath suggested that college students could earn service hours. Work is underway to get the forms on our website. We included news of the Pilot Program in the current Access Point. Forms will go live on the website on November 3, 2026.

## Department/Committee/Appointing Authority Reports

**Kenneth Young Center: Ravi Kalani, IPS Employment Services Team Leader and Nicholas Brown**
The written report is on file.

Our Employment Services team helps clients who are out of high school and living with a mental health diagnosis or physical disability through one-on-one job coaching, job development and placement, skills training, and career development. Approximately 85% of clients prefer support behind the scenes rather than direct contact with employers. The program reported a 75% success rate in obtaining and retaining employment, with approximately fifty placements in 2025, including clients outside the Township. Staff also partner with

other agencies to assist clients with criminal backgrounds and provide coaching on interview attire and support after unsuccessful interviews. Work-from-home opportunities are limited, and some clients lack computers. Transportation remains a barrier; staff meet clients at home, at coffee shops, or elsewhere in the community and explore Pace and Uber programs for eligible clients. The presenters answered the Board's questions, and Bob Oglivie of the Schaumburg Township Mental Health Board spoke favorably about the program.

**DEI Committee Report: (Verbal Only) Trustee Fiorio**

Trustee Fiorio reported on his attendance at the DEI Committee meeting in October and advocated broader representation and additional cultural celebrations, including Diwali and Día de Los Muertos. He cited U.S. Census figures of 24% Asian, 19% Latino, and 11% Polish for Schaumburg Township. Trustee Fiorio will continue to attend meetings.

**Administrative Services: Patti Dionesotes**

The written report is on file.

We hosted our first Township Veterans Resource Fair, which included fifteen non-profit vendors. We signed up nine veterans for the Township Honor Roll and handed out over twenty applications. We surpassed our goal of fifty attendees. The VA said that out of the forty to fifty events they attend each year, our township had the nicest space, with a bright entryway and proximity to the restrooms. We collected close to $300.00 and a large amount of cleaning supplies. Some generous residents kindly donated veteran-themed kitchen towels. We thank the Community Relations team for getting the word out and making the event a success. Numerous veterans and vendors mentioned that they hope this will be an annual event.

Our contractors are moving along nicely with the dock. They have completed the walls and installed most of the insulation. The foundation and interior drainage system have passed inspection. Our next step will be installing the flooring. We thank Welfare Services for working around the blocked-off areas and complaints from residents.

**Community Relations: Katy Trent**

The written report is on file.

The Township hosted the Faith Leaders Breakfast yesterday, with representatives from Our Savior's Methodist, United Methodist Church, Prince of Peace Lutheran Church, Calvary Community Church, Midwest Islamic Center, Harper College, and Salem Korean United Methodist Church. We discussed Township programs and services, made connections within the community, and explored ways to help congregants. Directors Cordes and Nelson provided valuable assistance, and we gave a tour of the building. We hope to continue these events. Township staff also represented the Township at the Village of Schaumburg's Police Department Open House, where 175 residents spoke with our team. Clerk Reed and her husband, Mike Reed, a member of the Schaumburg Township Foundation, attended the Woodfield Mall-O-Ween last Saturday, I transitioned Access Point and Dept Line from Publisher to Canva. We collaborated with our printer and Township staff to rebuild and resize the designs. Although tedious, the work finished on time. Board members complimented Directors Trent and Cordes on Trunk or Treat. Director Cordes credited Assistant Director Liz Bailon with developing her earlier idea into a successful event. Trunk or Treat drew 4,567 people, and staff distributed approximately 2,300 bags to children. The library expressed enthusiasm about the turnout and thanked Liz and other Township staff for setup and event management. Staff have discussed moving next year's event to the lot closest to

Schaumburg Road to provide more space and allow them to block traffic completely. The next event, the Township Treasures Local Artisan Market, will take place on Saturday, November 14, 2026, from 9:00 a.m. to 3:00 p.m. Assistant Director Bailon is coordinating the event, with more than 40 vendors, including youth entrepreneurs selling dog treats, knitted and crocheted items, and bracelets. Admission is free; purchases are optional.

**Disability and Senior Services Department (DSS) Committee: Becky Cordes**

The written report is on file.

This year's Trunk or Treat, held at the Schaumburg Township Library, drew 4,567 people, and we distributed about 2,300 bags of candy. The library expressed enthusiasm about the turnout. In 2027, we are moving the Trunk or Treat to Schaumburg Road, where we will be able to block off traffic. Board members praised our employees for planning and executing this wonderful event. Board members asked questions, and staff answered them. The Treasurer's Local Artisan Market will take place on November 14, 2026, and has over forty vendors attending to sell their wares. This free event will be unique, including knitted and crocheted products.

The Chicago Hearing Society highlighted Deaf Services Coordinator Phadke in a social media post at the end of September in honor of Deaf Awareness Month, recognizing the work of the Deaf Services team. We appreciate the recognition. Social services specialists have started LIHEAP and Medicare open enrollment appointments and are booking Medicare appointments into late November. Next year, the Township will serve as a host site for the Illinois Department on Aging SHIP Department. The holiday adoption program's application window closes this Friday. So far, 169 households have applied, which is consistent with last year. We still need donors.

**Transportation Department: Melvin Maldonado**

The written report is on file.

The department provided one out-of-town senior trip and a trip to Poplar Creek. Over the last three months, we have delivered online food orders to 142 residents. We supplied food for 351 families. We transport about 105 residents to dialysis appointments at four locations. They need to arrive between 8:30 a.m. and 9:00 a.m. Our electric buses will be ready for the winter. We are interviewing for a part-time bus driver. The Transportation Department participated in the Trunk or Treat. Director Maldonado thanked Transportation Services employees Beth Youngs, Cassandra Jacobo, and Janita Malave for picking up tables and chairs and loading the buses. He also thanked Assistant Director of Programming Liz Bailon and Program Specialist Jessica Kettel for setting up the event at 1:00 p.m.

**Welfare Services Department: Diana Nelson**

The written report is on file.

Our NIU intern completed a project-based rotation and created flyers and educational materials. Agency funding requests have increased this year, and staff will meet with ten agencies. Director Nelson shared a quarterly report from LifeSpan about legal assistance provided to a resident who became a client in February 2025 following domestic violence. The police arrested the abuser, and the court sentenced him to four years in the Department of Corrections and entered a no-contact order. Welfare Services and DSS staff will assist with Toy Store registration from 9 a.m. to noon. Participants will need to provide documentation and meet with

caseworkers to learn about Township resources and services. Welfare Services will host the Toy Store at the Township.

**Clerk's Report**

Clerk Reed and her husband, Mike, a member of the Schaumburg Township Foundation, attended the Woodfield Mall-O-Ween on Saturday, October 24, 2026. The children and their parents enjoyed themselves. Clerk Reed reminded the Board that RSVPs for the upcoming Veteran's Dinner at Chandlers in Schaumburg are due at the end of the week.

**Assessor's Report: Victor Morales**

The written report is on file.

Residential appeals are open, with steady office traffic. Social media is helping publicize the services. We will send letters to residents with outstanding exemption applications, noting the October 30 deadline. Requests for certificates of error have increased. We are checking homeowner exemptions while assisting with appeals, exemptions, and certificates of error, as residents respond to higher second-installment tax bills. The report acknowledged Chief Deputy Assessor Annette White and Deputy Assessor I Alesha Weibergor their hard work. We remind residents who applied for the senior freeze to return in April. We ask our residents to bring their second tax bill so staff can explain the exemptions shown.

**Highway Commissioner's Report: Tim Buelow**

The Highway Department completed branch pickup for the season. Nick and Dave are monitoring fiber installation and marking infrastructure in the unincorporated areas. There has been confusion between the Township and the Village of Schaumburg regarding permits. Winterizing work and new construction are ongoing. The Commissioner is working with James Howard on the budget. There is no update on the lawsuit. Supervisor Heneghan indicated that he hoped the lawsuit would end soon because the legal fees are a burden to the community.

**Supervisor's Report: Timothy Heneghan**

Supervisor Heneghan saw Mo Patel at the Faith Leaders Conference. He asked James Howard about the decision of the levy and collection of taxes. We do not have a Committee of the Whole in November 2026. Our attorney explained that the decision concerns the tax levy estimate. The Board will discuss a formal budget at the November 2026 Board Meeting. The LaVelle Law Firm presented Welfare Services with a check for $16,000.00. We want to give them a proclamation next year.

**Financial Report: James Howard**

The seven-month period ending September 20, 2026, represented 58% of the fiscal year. We have approximately $6.6 million in revenue, or 57% of the budget, and $6.4 million in expenditures, or 48% of the budget. There is an ending fund balance of about $5.6 million, and most departments tracked at or below the elapsed portion of the fiscal year. We expect the October 2026 property-tax distributions to improve revenue. Donations and grants remain strong. Replacement taxes provide local governments with a share of state business-tax revenue. The Board discussed reviewing the FY 2027–2028 food pantry supply budget in response to rising food costs. Howard's model estimated a $3.84 Township tax increase for a $300,000 home, bringing the total Township tax to approximately $177.00. There are positive balances across all funds, with an annual

surplus of approximately $263,000.00. The Township plans to seek the GFOA financial-reporting award again. Howard highlighted the audit's transmittal letter, management discussion and analysis, and ten-year statistical information as resources for Board review.

**Administrator's Report: Melissa Williams**

The written report is on file.

Administrator Williams provided clarification to Trustee Fiorio's DEI report to clarify that Township hosted an Iftar dinner this year in addition to the Juneteenth celebration Director Williams is sitting on a panel to discuss EV leadership boot camp. At the Township Officials of Illinois Conference, Director Maldonado will discuss different models of our fleet. Our staff has completed their performance reports. There is an all-staff meeting on Friday, November 6, 2025. Pace announced route expansions, a 50% increase in routes.

We will restart the community nurse program with the partners affiliated with RUSH, which has requested an additional $10,000.00 for a nurse supervisor to provide clinical oversight, which was not part of the previous model. After discussing the program with Director Cordes and Supervisor Heneghan, Administrator Williams identified available funding in the current fiscal-year budget. The FY 2028 budget would require funding from the community services budget. The agency operates community nurse programs at other locations. Township staff would communicate directly with the agency's nurse supervisor, but there would be no reporting line to the Township.
